This AGREEMENT, No. 12877, made and entered into May 28, 1977

_____, by and between TRANSPORTATION CORPORATION OF AMERICA,
an Illinois Corporation, Box 218, Chicago Heights, Illinois, (herein called "LESSOR") and _____

ILLINOIS CENTRAL GULF RAILROAD

a _____ corporation, (herein called "LESSEE").

WITNESSETH:

Description of Leased Cars: (1) LESSOR agrees to furnish to the LESSEE, and the LESSEE agrees to rent from LESSOR the cars shown on the Rider attached hereto and made a part hereof, and such additional Riders as may be added hereto from time to time by AGREEMENT of the parties and signed by their duly authorized representatives. Each Rider shall set forth a brief description of the car, or cars, covered thereby including such facts as: number of cars, car initials and numbers, the A.A.R. or I.C.C. specification, cubic capacity, truck capacity, delivery point, rental, commodity service, term throughout which the cars shall remain in LESSEE'S service, and other pertinent information that may be desired by both parties.

Use of Cars: (2) LESSEE agrees to use said cars within the continental limits of the United States and Canada (any use in Canada shall be incidental and temporary) for the transportation of the commodities stated in the Rider applicable to said cars; and that said cars will at all times be used and operated in compliance with all lawful acts, rules, regulations and orders; and further agrees upon the expiration or termination of the rental term of the particular Rider applicable to each such car set forth in such Rider to cause said cars to be returned to LESSOR at its plant in Chicago Heights, Illinois, in the same, or as good, condition in which they were furnished, except for ordinary wear and tear. Lessee will not in any way alter the physical structure of the cars without the approval in writing of LESSOR.

Rent: (3) LESSEE agrees to pay LESSOR the monthly rental stated in the Rider covering said cars from the date each car is delivered as specified in the Rider, and until cars are delivered to LESSOR upon expiration of the rental term specified in the Rider applicable to such car. Such rentals shall be paid to TRANSPORTATION CORPORATION OF AMERICA Box 218, Chicago Heights, Illinois, or such other place as the LESSOR or its Assignees may hereafter direct. Payment will be made in advance on the first day of every month during the term, except that LESSEE shall pay in advance, on delivery of the cars, the prorata of one month's rent for the period intervening the date of delivery and the first day of the next succeeding month.

Term of Lease: (4) This AGREEMENT shall be effective as of the date first set forth hereinabove and shall expire upon expiration of the rental term of the last car, or cars, covered hereunder. The rental term for each car shall be as shown in the Rider covering such car.

Repair and Maintenance: (5) (a) LESSEE shall notify LESSOR within three (3) full business days following knowledge of any damage to any of the cars. LESSOR agrees to pay for the maintenance and repair of said cars to the extent of the requirements of railroad companies and existing Association of American Railroads rules; but it will not pay for repairs made to said cars in excess of the basis of Association of American Railroads' interchange rules. No repairs to any of the cars shall be made by the LESSEE for LESSOR'S account without LESSOR'S prior written consent. If any of the cars become unfit for service and shall be held in railroad or car shops for repairs, and shall remain therein for a period in excess of five (5) days, service charges hereunder covering any such car payable by LESSEE to LESSOR shall cease from and after such period of five (5) days until such car is released from the shop or until another car shall have been placed in the service of LESSEE by LESSOR in sub-

stitution for such car undergoing repairs. In the event any of the subject cars shall be damaged or destroyed, ~~by the railroads~~, the service charge on any such car shall cease on the date of such damage or destruction. ~~When such damaged car has been forwarded to a shop for repair, the mileage earned by such car to and from the shop shall be retained by the LESSOR. (Refer to: "Special Conditions" Rider).~~

(b) LESSOR shall keep the cars in good order and repair, ordinary wear and tear excepted, comply with any additional requirements for safety appliances and construction hereinafter specified by American Association of Railroads and Interstate Commerce Commission and satisfactory for interchange in accordance with Association of American Railroads' rules, and all at its own cost and expense. LESSEE shall, at its expense, replace any removable parts, if lost or broken.

(c) In the event of the loss, destruction or irreparable damage to any of the cars from any cause whatsoever, except while in possession of LESSOR, during the continuance of this lease, the LESSEE shall promptly and fully inform the LESSOR in regard to such loss, destruction or damage. If any of said cars are damaged or destroyed on any privately owned track, LESSEE shall pay unto LESSOR the cost of repairing such damage, or replacing such lost or destroyed cars. In no case shall that amount exceed the depreciated valuation of such cars as provided for in the Interchange Rules of the Association of American Railroads.

Inspection:

(6) LESSEE shall allow the LESSOR at its own cost and expense to inspect the cars at any reasonable time or times.

Mileage and Per
Diem Reports:

(7) LESSEE shall collect all mileage earned by said cars and shall have the right to retain and amount equal to the total rental paid by LESSEE under this agreement. LESSEE shall keep all records pertaining to car movements, both loaded and empty, giving destination, date of loading and the routing of each movement. LESSEE shall furnish such records to LESSOR monthly. LESSEE agrees to provide that such cars are used so that mileage under load shall be equal to mileage empty on any railroad over which they move. If during any calendar year, the empty mileage on any railroad exceeds the loaded mileage, the excess shall be considered as a mileage charge payable by LESSEE at the rate established by the tariff of the railroad on which such excess of empty mileage is incurred. For purposes of this paragraph, the railroad mileage and junction reports received by LESSEE shall be prima facie evidence of the facts reported therein. LESSEE shall retain all mileage (including any mileage charge incurred by LESSEE for excess empty movements) until the termination of this lease. If the total mileage exceeds the total rental paid by LESSEE hereunder, the excess shall be paid to LESSOR. If the total mileage is less than the said total rental, LESSOR shall not be entitled to any portion of the mileage.

Payment of
Taxes:

(8) During the term of this AGREEMENT the LESSEE shall, in addition to the rentals herein specified, pay all sales, use, rental and excise taxes, personal property taxes, assessments and other governmental charges, whatsoever, whether payable by the LESSOR or the LESSEE, on or relating to the cars leased hereunder; the LESSEE shall be under no obligation to pay any such tax so long as it is being contested in good faith and by appropriate administrative or legal proceedings and any expense incurred by LESSOR in which LESSEE concurs with respect to contesting the applicability of such sales tax, rental tax or use tax to this AGREEMENT shall be for the account of LESSEE.

Marking of
Cars

(9)(a) The LESSOR shall plainly, permanently stencil the ownership legend on each new car in letters not less than one (1) inch in height, reading:

TRANSPORTATION CORPORATION OF AMERICA,
OWNER AND LESSOR.

and immediately replace any such stenciling which becomes illegible, wholly or in part. Should changes or additions be required in the foregoing legend, LESSEE shall make such changes or additions, and the expense thereof shall be borne by the LESSOR. The LESSEE shall keep the cars free from any marking which might be interpreted as a claim of ownership thereof by anyone other than the LESSOR; and will not change, or permit to be changed, the identifying road numbers.

(b) LESSEE shall have the right to stencil its markings on each car thereby entitling LESSEE to collect mileage and per diem.

Indemnification: (10) Except while cars are in the possession of LESSOR, LESSEE will indemnify and hold LESSOR harmless against loss or damage during the term of this AGREEMENT by or to any of the cars hereby leased, or to or by the contents thereof, howsoever occurring, and will indemnify LESSOR against any loss, fee, expense, or damage suffered by it by reason of, or arising out of, any default by LESSEE hereunder.

Insurance: (11) During the term of this lease LESSEE shall keep the cars insured in the same manner that LESSEE insures other equipment which it leases from time to time. LESSOR shall be named as an insured party on said insurance policy to the extent of its interest in the cars.

Subleasing: (12) LESSEE will not sub-lease said cars or assign any of its rights hereunder, without the written consent of the LESSOR.

Liens: (13) The LESSEE shall keep the cars free from any encumbrances or liens which may be a cloud upon, or otherwise affect, the LESSOR'S title.

Remedies: (14) Upon the happening of any of the events of default as hereinafter defined, the LESSOR or its Assignee may then, or at any time thereafter, take possession of the cars and any accessions thereto, wherever same may be found, and, at the election of the lessor or the Assignee as the case may be, either:

(a) declare the AGREEMENT terminated, in which event all rights of the parties hereunder shall cease except only the obligation of the LESSEE to pay accrued rentals to the date retaking, or;

(b) relet the cars as agent of the LESSEE, apply the proceeds of such reletting first to the expenses that may be incurred in the retaking and delivery of the cars to the new LESSEE, then to the payment of the rent due under this lease, and the LESSEE shall remain liable for any rents remaining due after so applying the proceeds so realized, and the LESSEE covenants and agrees to pay said deficit monthly as the same may accrue.

Default: (15) The happening of any of the following events shall be considered an "event of default" hereunder:

(a) nonpayment of the LESSEE within thirty (30) days after the same becomes due of any installment of rental hereunder;

(b) failure of the LESSEE to comply with, or perform, any of the other terms and conditions of this AGREEMENT within thirty (30) days after receipt of written notice from the LESSOR, or its Assignee, demanding compliance therewith and performance thereof;

(c) The appointment of a receiver or trustee in bankruptcy for the LESSEE or for any of its property and the failure by such receiver or trustee to adopt and assume and agree to perform the obligations of the LESSEE hereunder within thirty (30) days after such appointment.

Patent Indemnification: (16) LESSOR shall (except for articles or materials specified by LESSEE and also except for designs and systems used in the construction of subject cars as a result of LESSEE'S specifications) indemnify, protect and save harmless the LESSEE from all claims, demands, damages, including royalties, judgments (including court costs), attorneys fees, and expense in any way arising out of, or on account of, the use of any or all patented inventions, employed in and about the construction, repair, alterations, or improvements of the cars, or any part thereof, which are incorporated in any car at the inception of this AGREEMENT or Riders added hereto.

Filing: (17) The LESSOR intends to cause this Lease to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20(c) of the Interstate Commerce Commission Act. The LESSEE shall from time to time do and perform any other act, and execute, acknowledge, deliver, file, register and record any and all further instruments required by law, or requested by LESSOR, for the purpose of protecting its title and rights, or for the purpose of carrying out the intention of this AGREEMENT, and the LESSEE will promptly furnish to LESSOR certificates or other evidences all such filing, registering and recording in form satisfactory to LESSOR. The LESSOR shall promptly reimburse LESSEE for any out-of-pocket expenses it may so incur.

Miscellaneous: (18) It is mutually agreed that the time of payment of rentals is of the essence of this contract and that this agreement and any Rider now and hereafter entered into is subject and subordinate to any Chattel Mortgage or Conditional Sale Agreement on the cars heretofore or hereafter created and to the rights of any Trustee under any Equipment Trust heretofore or hereafter established by the LESSOR.

Any Chattel Mortgage, Conditional Sale Agreement or Equipment Trust that involves any of the cars will provide that LESSEE'S right to possession and use of the cars shall not be revoked or terminated as long as LESSEE is not in default under the terms of this lease.

(19) The terms of this AGREEMENT and all rights and obligations hereunder shall be governed by the laws of the State of Illinois, in which state it has been executed and delivered.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be signed and sealed by their respective corporate officers and duly attested, as to the date first above written.
